

FOR IMMEDIATE RELEASE

Sightline Payments™ Signs Contracts with Spotlight 29 Casino and Two Other Gaming Operators

Las Vegas, NV- October 21, 2011-[Sightline Payments](#) (Sightline), an innovative payments company to the gaming industry, today announced the completion of several payment's suite contracts including [Spotlight 29 Casino](#) located in Coachella, CA which is owned and operated by the Twenty-Nine Palms Band of Mission Indians with a nearly 250,000-square-foot facility and 2,000 slot machines and table games. Sightline is also pleased to announce the signing of [Wyandotte Nation Casino](#) featuring over 500 slot machines in Wyandotte, OK and [Cahuilla Casino](#) with over 300 slot machines in Anza, CA.

Sightline's payment suite includes Redemption7X™, ATM3X™, Enhanced Cash Advance™, SmartAdvance™, Cashless Gaming, Certegy™ Check Cashing, and MobileFunds™.

"We've always prided ourselves on exceeding the expectations of our customers and offering them an exceptional value proposition" said Sightline Payments EVP Diran Kludjian. "We are also proud to mark our one year anniversary of our first customer installations and delivering on our goal of not having a single unscheduled downtime".

Rena Salgado Director of Cage Operations for Spotlight 29 added "We selected Sightline after an extensive evaluation of various payments providers in the market. We believe Sightline solutions, in alliance with [Bally Technologies](#)®, will help enable us to take our player's funding experience to a new level with unsurpassed reliability and innovative cashless gaming and mobile solutions."

Sightline is now operational in 5 states including CA, WA, OK, CO, and KS.
